

**MINUTES OF THE BOARD OF ADJUSTMENTS
VARIANCE REQUEST – 6909 KERILAN LANE
AUGUST 27, 2012 - 7:00 P.M.
ST. PAUL TOWN HALL**

The meeting was called to order at 7:00 p.m. All Board members were present. There was a quorum. Board Chair Walter led the meeting with the Pledge of Allegiance.

Discussion/Action on Variance Requested by Mr. Chamberlain: Mr. Chamberlain presented the Board with a letter from engineer Kenneth R. Scott explaining the problems with their foundation and a lighter building material solution for the structure. The Board discussed various material options and agreed with Mr. Chamberlain that Stucco would be appropriate. Board member Kellow motioned to allow the variance with the use of Stucco on the front and sides of the structure with a second to the motion from Board member McCasland. All present board members voted aye.

Adjournment: Board member Simmons motioned to adjourn the meeting at 7:16 with a second to the motion from Board member Gensler. The motion passed unanimously.
